

Municipality of Macdonald

Volunteer Service Awards

Volunteers are everyday individuals who are on the front lines of all community services. The Municipality of Macdonald is privileged to have so many people who reach out beyond themselves to make a difference in their community.

To celebrate this essential work, the Macdonald Public Recreation Commission invites nominations for individuals deserving recognition in the following categories:

Youth (under 25)

- Recognizes young people who have made considerable contributions to their schools, organizations and community through volunteering. These young people serve as role models, encouraging other young people to give of themselves for the betterment of their community and the municipality.

Individual

- Presented to exceptional volunteers whose efforts have contributed significantly to the quality of life in their community.

Award of Merit

- Awarded to an individual who has made an exemplary contribution to the municipality. Award of Merit candidates have served the wider municipality by performing multiple volunteer activities over an extended period of time providing benefit beyond their own community.

Deadline for nominations: February 7, 2025

Note: Awards will be limited to one individual in each category from each community.
